

McCain Walls® Powder Coat Interior Finishes

Choosing the right colors is sometimes the most difficult decision to make of any project. McCain Walls® Modular and Architectural Interior Panel Systems are available in durable, vibrant color finishes for interior applications.

Whether you're looking for a subtle, neutral color, or an attention-grabbing brand color, we can help you achieve the perfect finish for your aluminum walls. Reference the RAL color chart below, and let us know what paint color you've chosen, and what textures you're looking to capture (matte, gloss, vein, smooth), and together we'll find the perfect powder color combination.
